

ANNOUNCEMENT

It is hereby notified for the information of interested exporters that the Mexican authorities have agreed to the proposal of Pakistan Mission in Mexico for allowing import of rice from Pakistan subject to the following conditions:-

- I. The product can be imported in new polyethylene bags, hermetically sealed, weight not more than 50 k.g. (ready for sale)
- II. Each bag should be properly labeled to include name of the product and origin thereof.
- III. Samples of the imported product will be drawn and sent to the approved laboratories for testing on account of the interested party (importing company) in Mexico.
