

**Government of Pakistan
Ministry of Commerce & Textile
(Commerce Division)**

**CALL FOR PROPOSALS FOR THE STAKEHOLDERS INPUT ON STRATEGIC
TRADE POLICY FRAMEWORK (STPF) 2018-23**

Commerce Division is initiating broad-based consultative process to formulate succeeding policy for the period of five years, instead of three years, to keep consistency in the regulations & incentives. The scope of the STPF 2018-23 shall encompass issues pertaining to supply chain development, market access initiatives, trade promotion and trade facilitation. Furthermore, the regulatory measures shall be simplified with the view to reduce cost of doing business and facilitate business community to avoid unnecessary hurdles in importing and exporting goods of their requirements and at the same time, ensure address legitimate health, environment and security concerns.

In this regard, all stakeholders are requested to share their valuable views / suggestions on the format given on the website of Commerce Division on the following email addresses latest by 10th January 2018 to enable this Ministry to formulate a sound, effective and operative trade policy.

(Nauman Aslam)
Director General (Trade Policy)
