Subject --- Nomination of One Candidate for YES-CHINA Master Program Scholarship

Excellency,

With a view to promoting the mutual understanding and friendly relationship between China and other countries as well as providing education opportunities to the youths in developing countries, the Chinese Government established the “Scholarship for Youth of Excellence Scheme of China One Year Master Program (YES-CHINA)” for the outstanding youth to pursue a Master’s degree in China.

For the academic year 2019/2020, 8 Master’s degree programs in 7 leading Chinese Universities are open for applicants from 66 developing countries. Detailed information including qualification and coverage of scholarship of the said program is herewith attached.

The scholarship amounts to 200,000 RMB a year with a stipend of 90,000 RMB for living allowance, a return-trip flight ticket is also covered by the scholarship. Please be informed that this is a special scholarship with a stipend three times higher than that of common Chinese scholarship.

All applicants are required to apply online www.csc.edu.cn/studyinchina, or www.campuschina.org. Both scanned and photocopies of the application documents are required to be sent to the Chinese Embassy in Pakistan (islamabad@chinaculture.org) before March 20, 2019, which is the deadline for application. Application documents will be forwarded to Chinese Scholarship Council (CSC) and respective universities for further examination for enrollment.

The scholarship is specially designed for elite youths of relevant countries. You are kindly requested to nominate one eligible candidate for one particular Master program according to the criteria.

Final result of the scholarship winner will be informed to the applicant in early August, 2019.

Attached please find:

Program Introduction of “Scholarship for Youth of Excellence Scheme of China Master Program (YES CHINA)”

Annex-1

YOUTH OF EXCELLENCE SCHEME OF CHINA (YES CHINA)-MASTER PROGRAM CHINESE GOVERNMENT SCHOLARSHIP

Program Introduction

To promote the mutual understanding and friendship between China and other countries, and to provide education opportunities to the youths in developing countries, the Chinese Government established the “Scholarship for Youth of Excellence Scheme of China- Master Program (YES CHINA)” with financial support to the outstanding youth coming to China to pursue a Master’s degree. For the academic year 2019/2020, 8 Master’s degree programs are open to applicants from 66 developing countries. The programs include Master of Laws (LL.M.) Program in Chinese Law, International Program on Master of Public Health (IMPH), Master of International Economic Cooperation, Master of China Studies, The LL.M Program in International Economic Law, MBA Program, AIIB Master of International Finance, Master of One-Belt-Road Sustainable Infrastructure Engineering. The programs duration will be one year or two years (1+1).

Courses	Duration	University	Introductions
The Master of Laws (LL.M.) Program in Chinese Law	1 Year	Peking University	The Master of Laws (LL.M.) Program in Chinese Law is a Graduate Law program offered by Peking University Law School, focusing on Chinese civil and commercial law. This program provides intensive instruction in Chinese law. Through the program, students can establish a solid foundation for their career development relating to China.
International Master of Public Health (IMPH) Program	1 Year	Tsinghua University	The International Master of Public Health (IMPH) Program is aimed at building a new generation of global public health leaders in the developing world through the participation of recognized faculty and expertise from across Tsinghua University and partners around the world. These English taught courses are specifically designed for public health officials, disease prevention and control specialists and health program managers from developing and developed countries, with the fundamental purpose of improving the health conditions and achieving health equity in developing countries.

<p>Master of International Economic Cooperation</p>	<p>1 Year</p>	<p>University of International Business and Economics</p>	<p>MIEC program of UIBE is designed for senior business officials, business diplomats and senior business managers who are experienced in business administration from developing countries. It aims to develop leaders and constructors of global economic governance structure, framers and executors of international business policies with global vision, and managers of international business and trade administration. Through this program, students can systematically grasp international economic cooperation theory, international economic policies and environment, development tendency of international economic cooperation and economic trade policy system in China.</p>
<p>Master of China Studies</p>	<p>1 Year</p>	<p>Zhejiang University</p>	<p>MCS Engages YES student through participatory teaching approaches, with an emphasis on studying the issues in contemporary China from the perspective of Chinese tradition and cross-cultural comparison. MCS-YES is designed to allow graduates acquire the knowledge of modern Chinese business, media, policy, communication, culture and arts. Proficiency in mandarin Chinese is essential for anyone who wants to understand China. Alongside core classes the MCS will provide intensive language courses both elementary and intermediate levels.</p>
<p>The LL.M Program in International Economic Law</p>	<p>1 Year</p>	<p>East China University of Political Science and Law</p>	<p>The LL.M. Program in International Economic Law is an English-taught scholarship program hosted by the East China University of Political Science and Law (ECUPL) in Shanghai, The program awards a Master's degree in law and provides opportunity of internship in the fields of international investment, international trade, or relevant Chinese law to promote students' abilities in dealing with legal issues concerning trade and investment in or with China. After graduation, students can enter into legal practice involving China and international trade.</p>

MBA Program for Developing Countries	1 Year	South China University of Technology	This program is designed specifically for senior business personnel or senior management staff in education, scientific research institution or any related profession to learn about the Chinese patterns and strategies for business and industrial management, to produce references for business and industrial management, and to enhance skills and abilities for crating enterprises in developing countries. The program will develop a managerial personnel familiar with the Chinese administrative systems, management styles, entrepreneurship, and creativity in business and industries so as to meet the urgent needs for the business and industrial development countries.
The Asian Infrastructure Investment Bank (AIIB) Master of International Finance (AMIF) program	2 Years (1+1)	University of International Business and Economics	The Asian Infrastructure Investment Bank (AIIB) Master of International Finance (AMIF) program is for senior governmental officials and senior business managers from the member country of the Asian Infrastructure Investment Bank (AIIB). The program is focused to train policy makers and executors with global vision for regional cooperation, financial administrative talents to accelerate the integration of Asian economy, and entrepreneurs to promote the communication and cooperation within Asia.
Master's Program of One-Belt-Road Sustainable Infrastructure Engineering (MOSI)	2 Years (1+1)	Southeast University	English-taught MOSI is designed for senior civil servants of countries along "One Belt One Road", especially the senior officials in Ministry of Communications, Construction and Business, senior managers of related organizations and enterprises, and technical experts of universities and scientific research institutions. The program aims to train regional construction policy makers and executors with global strategy and the idea of sustainable development, as well as cultivate senior managers and high-tech talents of modern infrastructure construction.

Note: "1+1" studies refers to one year course study in China and one year dissertation composition in home countries. Dissertation defense will take place in China at the end of the study.

Enrollment Quota, Program Duration and Medium of Instruction

- ◇ A one-year full-time Master's degree program
- ◇ 20-25 students per class
- ◇ Academic year from September, 2019
- ◇ Courses all taught in English

Scholarship Coverage

5. Having a strong development potential in his/her career, and willing to promote the mutual cooperation and exchanges between China and his/her home country.

6. Students who are now studying in China or already winners of Chinese Government Scholarship are not allowed to apply.

Note: More details about each program can be found in the corresponding university's recruitment prospectus.

Application Procedure

Step 1: Online Application

Please log in "Chinese Government Scholarship Information System" (<http://www.csc.edu.cn/studyinchina> or <http://www.campuschina.org>) to submit online application and supporting documents.

Step 2: Documents Submission

Submit the application documents (legible scanned ones) listed below to the application receiving agency.

Application Documents

Please scan the following materials IN ORDER into one document and ensure clarity.

- ✧ Application form (mentioned above) with a 2-inch photo and the applicant's signature.
- ✧ Personal statement of research (A minimum of 500 words in English).
- ✧ Copies of bachelor's degree certificate(s) and academic transcript(s).
- ✧ Two recommendation letters from the applicant's employers and/or professors. Telephone numbers and email addresses of the referees must be included in the letters.
- ✧ Certificate of Employment. Please submit to "Other supporting documents" in the Chinese Government Scholarship Information System.
- ✧ English proficiency certificates.
- ✧ Physical Examination Record for Foreigner
- ✧ Copy of the passport page of personal information (Ordinary Passport for Private Affairs only)

Note: Scanned copies of the documents will be sufficient during the application period. Originals or verified copies will be required upon enrollment at the universities. All documents should be in Chinese or English and are not retrievable.

Admission Notification

1. Application documents will be reviewed by Admission Committee, and outstanding applicants will be selected.
2. Each applicant will be supported by the scholarship for one program only.
3. The universities or the Chinese Embassy will send the Admission Letter and Visa Application Form for Study in China (JW201) to the scholarship winners.
4. If a successful applicant fails to register for the programs before the deadline, the entitlement to the scholarship will be cancelled.

Annex-2

Guidance of the Chinese Government Scholarship Information System

Step 1: Visit <http://www.csc.edu.cn/laihua> or www.campuschina.org and click “*Scholarship Application Online for International Students*”.

Step 2: Read “*Tips for online application*” carefully before clicking “*NEXT*” to the registration page.

Step 3: Log in with your user name and password. For new user, please click “Create an account” for registration.

Step 4: Fill in the correct **Program Category** and **Agency Number**. An Agency Number represents a specific application receiving agency and a correct choose of Program Category is necessary before filling in the Agency Number. Please make sure you fill it in correctly, otherwise you will not be able to continue your online application or your application will not be accepted.

Your ‘**Program Category**’ is : **Type A** and ‘**Agency Number**’ is: 5861. Once the correct ‘Agency Number’ is entered, the name of the agency will automatically emerge.

Step 5: Fill in the **Online Application Form** and **Upload Supporting Documents** truly, correctly and completely following the steps listed on the left of the page.

Applicants are required to select a discipline before choosing their majors. Please refer to the Disciplines Index, which could be downloaded from Help, if you have any doubt about the disciplines and majors.

Step 6: Check each part of your **Application** carefully before submitting it. Click *Submit* to submit your **Application**. **The submitted documents will be the only reference for the applied universities to confirm the admission.**

Step 7: You can make changes to your application by clicking *Withdraw and Edit the Application* on the top of the page. But make sure to submit it again by clicking *Submit* after finishing all the changes. Otherwise, the retrieved application will become invalid and your new application will not be received either.

Step 8: You can download and print the completed **Application Form** by clicking *Print the Application Form*.

Step 9: Send the paper application form and other supporting documents to the dispatching authorities if they requires you to do so.

Please use Firefox or Internet Explorer (11.0). Menu selection functions may not work in other browsers.

Only Chinese and English are accepted for the online application.
