His Excellency
The Ambassador of Pakistan

Subject: Call for Participation

Excellency,

Twenty eight years have already elapsed since the Iranian Research Organization for Science and Technology (IROST) organized for the first time, in 1986, the Khwarizmi International Award, in memory of Muhammad ibn Musa al-Khwarizmi, the Iranian mathematician and astronomer.

We have the great pleasure to invite distinguished researchers of your esteemed country to apply for this prestigious international award.

The purpose of this award is to acknowledge the efforts made by researchers, innovators and inventors from all over the world and to appreciate their high quality research work and contributions to different fields of science and technology such as Aerospace, Agriculture, Natural Resources, Animal Sciences & Veterinary Medicine, Basic Sciences, Biotechnology, Environment & Basic Medical Sciences, Chemical Technology, Civil Engineering, Electrical & Computer, Industry & Technology Management, Information Technology, Materials & Metallurgy Sciences, Mechanics, Mechatronics, Medical Sciences, Nanotechnology.

Over the 28 years, the KIA has attracted the strong support of many international organizations including WIPO, APCTT, COMSATS, COMSTECH, ECO Cultural Institute (ECI), ECO, FAO, ICARDA, IOR-ARC RCSTT, ISESCO, TWAS, Iranian National Commission for UNESCO, UNIDO, UNESCO Tehran Cluster Office and WAITRO.

The Khwarizmi International Award is awarded annually in a prestigious ceremony held in Tehran, February, 2016 and attended by H.E. the President of the I. Rep of Iran, ambassadors and eminent personalities.
