Subject: [KDI School]Full Scholarship for Government Officials

Dear Representative of the Ministry,

Greetings from the **Korea Development Institute (KDI) School of Public Policy and Management**, in Korea! I would like to take this opportunity to introduce the KDI School's advanced academic programs and **full scholarship opportunities offered for outstanding government officials** in your country.

The KDI School of Public Policy and Management was established in 1997 in partnership with the KDI, Korea's leading think tank. KDI has been rated by the Economist as one of the most influential and best connected research institutions in the World. The KDI was founded in 1971 as a think tank that researches economic policy issues concerning Korea in both systematic and applicable ways, and assists the government in formulating the "Five-year Economic Development Plans" and related policies.

The KDI School is an international graduate school offering Master's and PhD programs in two specialized areas - Public Policy and Development Policy. Since its foundation in 1997, the KDI School has recruited more than 53% of the student body from over 100 different countries. More than 95% of the international students receive full scholarship including tuition and monthly stipend (a round-trip airfare depending on the scholarship). Each program is conducted in English by renowned faculty with established credentials in both the public and private sector. The KDI School blends their wealth of expertise and experiences to provide a curriculum that optimizes academic theory and real world relevance.

As the primary mission of the KDI School is fostering policy experts, majority of our students are mid-career professionals in public sector. The KDI School is currently seeking even greater representation from your country this year and it would be greatly appreciated if you could kindly consider cooperating in the candidate recommendation and/or scholarship promotion in your ministry.

The application deadline for the Spring 2014 Admissions is October 25th, 2013 and please feel free to distribute this information to any potential candidates.

I deeply appreciate your support and cooperation in advance and look forward to hearing from you soon.

Sincerely,

S. W. Nam

Sang Woo Nam
Dean
