

Tariff Reduction Model of Zero-Tariff Items

All products covered under the Early Harvest Programme shall be divided into 3 product categories for tariff reduction and elimination as defined and to be implemented in accordance with the timeframes set out as follows:

A. Product Categories For Tariff Reduction And Elimination

The 3 product categories are defined as follows:

(i) Category 1

For China and Pakistan, this refers to all products with applied MFN tariff rates higher than 15%.

(ii) Category 2

For China and Pakistan, this refers to all products with applied MFN tariff rates between 5% (inclusive) and 15% (inclusive).

(iii) Category 3

For China and Pakistan, this refers to all products with applied MFN tariff rates lower than 5%.

B. Implementation Timeframes

The Early Harvest Programme shall be implemented no later than 1 January 2006 as follows:

Product Category	Not later than 1 Jan 2006	Not later than 1 Jan 2007	Not later than 1 Jan 2008
1	10%	5%	0%
2	5%	0%	0%
3	0%	0%	0%
