Subject: Training Courses on "Innovation and Future Studies for Sustainable Development" scheduled to be held at COMSTech, Islamabad.

Dear Sir,

COMSTech Centre for Science, Technology and Innovation (STI) Policy Research and Training regularly organizes training courses to build capability in the area of STI Policy and research in OIC member states. A training course on "Innovation and Future Studies for Sustainable Development" has been scheduled from 5th to 9th March, 2012.

The course will be mainly delivered by Dr. Ian Lowe, Emeritus Professor at Griffith University, Australia and Dr. Sohail Inayatullah, Professor at Graduate Institute of Future Studies, Tamkang University, Taiwan. This one week course will focus on Innovation Policy and Future Planning for sustainable development.

I request you to kindly nominate suitable participants for the training course. These may include officials of S&T and human resource development ministries involved in the planning and implementation of STI programmes, STI policy researchers and researchers involved in development planning, researchers from the economic and business departments interested in technological innovation and future planning.

The registration fee is 5,000/- rupees per course, which includes the cost of daily refreshments & course materials. COMSTech will provide local hospitality to a limited number of participants selected on merit.

Nominations of participants must reach COMSTech by 10th February 2012 along with their complete curriculum vitae.

Further details are available on www.comstech.org

Yours sincerely,

Dr. S.T.K Naim
