Subject:- WORKSHOP ON "PERFORMANCE MANAGEMENT FOR ORGANIZATIONAL EFFECTIVENESS & CAREER PLANNING"

Dear Mr. Secretary,

SECY. OFFICE
 Diary No. 10-12-15
 Date: 10-12-15

As you are aware, Management Services Wing of the Establishment Division provides a broad spectrum of Management Consultancy Services to the Public Sector Organizations and also trains the Government functionaries in Modern Management Techniques in order to enhance their managerial skills and capabilities as assigned to it under the Federal Rules of Business 1973. In line with its charter of duties, the Management Services Wing, Lahore is organizing a three day Workshop on "Performance Management for Organizational Effectiveness & Career Planning" from 11th to 13th January 2016 at Conference Room of Institute of Administrative Sciences, University of the Punjab, Lahore from 09:00 AM to 03:00 PM daily. Program of the Workshop is placed at Annex-I.

2. Importance of the subject can hardly be over emphasized as accountability for results requires an effective performance management system, and there is a consensus among management experts that "what gets measured gets managed". Thus, ability to measure the performance of government organizations lies at the core of the concept of performance management. Moreover, paradigm shift of the Government from the traditional "Annual Confidential Report" to "Key Performance Indicators based PER'S" also requires education, advocacy and awareness.

3. The Workshop has been designed for officers in BS-17 and above (or equivalent) from the Federal and Provincial Government Organizations including the Government of Azad Jammu & Kashmir (AJ&K) as well as officers from the Armed Forces of Pakistan.
